	<ul style="list-style-type: none"> Received the Battle "E", National Defense and Good Conduct medals; as well as Global War on Terrorism, Marksmanship, and Navy Sea Service Deployment ribbons. <p>November 2007 – February 2011 Warehouse Assistant Manager/Delivery Driver, Betts Truck Parts Portland, OR</p> <p>Responsibilities:</p> <ul style="list-style-type: none"> Loading and unloading truck trailers full of pallets with a forklift. Sorting and putting away freight properly in a warehouse. Pulling customer's orders accurately and quickly. Planning drop off/pick up routes for myself and my co-workers. Working inventory. Shipping/Receiving. Responsible for customer happiness and upkeep. <p>Achievements:</p> <ul style="list-style-type: none"> Went from shop clean up boy to warehouse manager within two years. Managed warehouse shipping/receiving and cleanliness. Saved countless accounts from going to the competitor.
Education	<p>DePaul University – Chicago, IL – Computer Science (BA) Spring 2021 Current GPA: 2.59</p> <p>Oklahoma City Community College – Oklahoma City, OK – Applied Science of Business (AA) January 2016 – August 2017</p>
Communication	<ul style="list-style-type: none"> At Fluid Management, caught an IT issue with Lowe's IT that was affecting stores across the country; developed and sent Lowe's IT tech doc to effectively deal with the issue of a driver not being installed that went on to fix the issue at the lowest level possible. Communicate monthly with Home Depot level I helpdesk to advise Home Depot techs on how to correctly solve issues with the paint dispensers, and what to do in given situations.
Leadership	<ul style="list-style-type: none"> I have a good base of leadership experience from the navy, where I was directly responsible for the performance, direction, and lives of between 10-15 junior sailors in my division. At Betts Truck Parts, I was directly responsible for the route planning and dispatching of 3 drivers' routes; North, South, and local to the greater Portland metro area.
